INTENSIVE CRASH COURSE (ICC)

Medical - Engineering Entrance Exam March - April 2017

An Information Leaflet for students of +2 aspiring to be Doctors

(MBBS / BDS), their Parents, Teachers and Well wishers.

1. What is 'Everwin Education'?

An enterprising group of innovative educationists have joined together under the banner 'Everwin Education' to devise and provide an excellent educational support to the students of +2 in achieving their cherished goals in higher education, beyond +2. The Everwin Education Group will tactically train them in successfully tackling the entrance tests pertaining to some coveted streams of professional education.

2. For what course / courses will 'Everwin Education' train the +2 students and at present?

With a concerted aim the Everwin Education Group will currently prepare candidates for the NEET (National Eligibility cum Entrance Test) 2017, UG (MBBS / BDS), to be held in May 2017, utilizing a carefully prepared plan of action, without affecting the children's preparation for their Board exams preceding the NEET.

3. Why is NEET so important?

NEET has come to stay as the only route for admission in two of the most valued higher education programs in the country, namely, MBBS and BDS (with the only exemptions of the JIPMER and AIIMS).

4. Is not the preparation for std 12 Board Exam enough?

Not at all ! NEET question paper is not based on a particular state or central syllabus. It is based on 'various state syllabi as well as syllabi of CBSE, NCERT and COBSE (Council of Boards of School Education)'. Motivated specialists' help will make a sea of difference in the performance of even the 'best' students in the normal class of CBSE or any State Board School.

5. How is Everwin Education equipped to effectively prepare the students for NEET 2017?

Eminent subject scholars with proven teaching and examining abilities are among the faculty of Everwin Education. Additionally, stalwarts in entrance exams and admission processes are available with Everwin Education for continuous monitoring and guidance.

6. Will Everwin Education Provide a gestalt (complete) guidance to students joining its training program?

Definitely ! Any student joining Everwin Education will not be just a 'trainee' for the exam. He / she will be almost an 'adopted child' for academic purposes during and even after the program !
